

**ACTIVE INGREDIENT:** InocBloc™ Pine Tar

**PRECAUTIONS:**

Keep out of reach from children. Recommended to use waterproof gloves when applying as product requires either ethanol, methylated spirits or alcohol based hand sanitiser to remove from skin. Wear eye/hand/clothing protection if there is high chance of splashing.

**EMERGENCY RESPONSE 0800 CHEMCALL (0800 243 622)**

**STORAGE & DISPOSAL:**

Store in original container with lid tightly closed, safely away from foodstuffs and children. Avoid storing in freezing conditions as product will harden. Dispose of container at approved landfill or rubbish collection service.

# Organic Prune`n`Paste

**PRUNING PASTE**

**Organic Input**

**Helps seal and protect pruning cuts in all ornamentals, fruit trees and vines with an easy to use applicator brush.**

**200ml**

**Organic Prune 'n' Paste** is a unique, BioGro certified, paint-on easy to apply, pine based product that provides an effective natural barrier against fungal and bacterial diseases.

**DIRECTIONS:**

1. Remove cap and gently squeeze bottle to charge brush.
2. Apply to a clean cut surface under good drying conditions directly after the cut has been made.
3. Ensure a thick, even layer is applied onto the wound surface and 1cm below the edge of the cut.
4. For infected wood, cut back to healthy tissue before applying **Organic Prune 'n' Paste**.

**GENERAL INFORMATION:**

**Organic Prune 'n' Paste** is a biodegradable organic pine tar that poses no specific risk to plants, waterways or land. It has a distinctive wood smoke odour that can remain on the treated cut for a few weeks.
