MARCH 2019

Middle East

MAR 1 ISRAEL

OUTREACH STORY

Philippines Last December, we gave Derek's books in the Tagalog language—*The Divine Exchange*, *How to Pass from Curse to Blessing* and the *Self-Study Bible Course*—to 50 Bible college graduates and pastors. These books will be a great tool for them.

OUTREACH STORY

Belarus Testimony Received *“How wonderful is the ministry of Derek Prince. It tells us about grace, God’s love, relationships with the Lord, how to grow in love, grace, goodness, mercy, His fullness, and how to get peace and joy. I didn’t muse that He gave everything, and I want to be generous and do something for God. I take notes of all preaching...all verses for learning and proclamation. No one else...makes me seek the Truth more, love God more, or follow Him and live according to the Bible. I memorized “Exchange at the Cross” in order to use it automatically. I’m reading, learning by heart, proclaiming wherever I am. I want to give everything I have to find God’s will. I enjoy studying at school and do it with great pleasure and inspiration. Let your ministry grow and fill the earth to help other people take the faith.”*

OUTREACH STORY

South Africa Testimony Received "Thank you for the excellent work you are doing, keeping Derek's legacy alive. Two years ago, I retired as a pastor for over 50 years, but continue to minister and train pastors. I have all the books of DPM. As a young pastor, I discovered Derek's ministry and consumed every book, tape, etc. We attended many of his seminars and meetings, and his insights on deliverance were scripturally the soundest at that time. My conviction has been that Derek was one of the greatest teachers of his time, most consistent in doctrine and lifestyle, and still is! As a pastor, minister and overseer over the years, I invested his materials into young pastors to enable them to remain sound in doctrine. The volume, *Foundational Truths for Christian Living*, is a classic! I have distributed more than 100 copies to pastors and encouraged them to study these truths until it becomes part of them." **Pastor Chris V., Johannesburg**

OUTREACH STORY

Australia Testimony Received “Derek’s teachings have been a very big blessing in my life. I work night shift and all the staff I work with listen to music on their mobile phones through headphones, so I listen to Legacy Radio through the DPM App on my mobile phone through headphones eight hours a night, six nights a week! Needless to say, I have learned much. One of the biggest blessings in my life came when I watched a video called, “The Cross in My Life.” I had suffered from psychosis for 17 years, and no doctor or religion/practice had any solution or cure. After watching that video in 2010, something happened, I literally felt a darkness leave me. Almost immediately, after watching and understanding, God healed me. While I have some different opinions than Derek on some subjects, we are all unique. All in all, my faith has skyrocketed due to the resources DPM has made available. I thank God for Derek and your ministry. DPM helped God save me. Thank you, thank you, thank you.” **Michael F.**

APRIL

Derek Prince “God’s will is not going to change. If there has to be any change, it is in our wills. If we each align our wills with the will of God, if we make the purpose of God our purpose in life, we will be unshakable and undefeatable as the will of God. ‘He who does the will of God abides for ever’ (1 John 2:17). The crucial issue for every person is, Are you aligned with God’s will? Is God’s purpose your purpose?”
