“Ask of Me, and I will give You the nations for Your inheritance, and the ends of the earth for Your possession.”

Psalm 2:8

March 1—MIDDLE EAST

- DPM will take part this month in a prayer conference for the Middle East to be held in Malta. Pray for the Lord's presence upon this event and much good fruit to come forth.
- Many prayer requests come in from this region through Facebook and other social media. Pray that a team will be raised up to intercede for these needs and DPM's ministry in the Middle East.

PRAISE & THANKSGIVING: Egypt

- We finished dubbing seven video episodes of “Seven Steps to Revival” and are eager to see God's revival come in Egypt!

March 2—KENYA

After months of delays, the English and Swahili Bibles that were ordered should arrive in Nairobi early this month. They will be distributed with DPM books, *Life-Changing Spiritual Power* and the *Self-Study Bible Course*. Pray for this material to reach the right people who will wisely use it to grow in their faith.

March 3—BULGARIA

Pray for God's provision and guidance for the successful reprinting of two books: *Appointment in Jerusalem* and *Husbands and Fathers* during March and April. They are out of stock, and there's a steady demand for them.

PRAISE & THANKSGIVING:

I thank God for His faithfulness for the successful completion of all 2016 projects, especially the 10 Foundations booklets. Christians in Bulgaria love them and keep taking them mainly to give away to nonbelievers.

March 8—MOZAMBIQUE/ANGOLA

After numerous challenges in finding a good translator to update the original version of the *Self-Study Bible Course* in Portuguese, that translation should be complete by the middle of March. Pray that the publishing and proofreading processes would go smoothly after that so this key resource can be provided for the church in Portuguese-speaking nations in Africa.

March 9—MONGOLIA

Pray for greatly needed funding to come in to continue the translation, printing and distribution of Derek’s material in Mongolian. It has been making a significant impact upon Mongolian believers, and there is ongoing demand for it.

There is great demand for Derek’s books in this nation. *The Grace of Yielding* is now being distributed to different areas of the country. Also, *Fatherhood, Prayers and Proclamations* and *The Divine Exchange* have been translated into Azeri and will soon be available as well. Pray that this material will spread widely through the indigenous community and bring to these native people a strong biblical foundation, freedom from bondages and greater love for the Lord and His Word.

PRAISE & THANKSGIVING:

We sponsored five Indigenous children to go to a four-day camp in January. We received this report.

REVIVAL FIRE BREAKS OUT ON ABORIGINAL CHILDREN AT TWEED HEADS SCHOOL

A young Aboriginal preacher carrying an Evan Roberts-like anointing addressed the audience at the last night of the Total Immersion Friends Camp on Friday, 13th January. There are no pictures of what followed. There was too much happening. It was too precious, too holy. No place for cameras, iPhones, iPads this time. Over 100 people, mostly Aboriginal children aged 9-14, are heading home today across Australia knowing that God is real. Lives changed, prayers answered—a week of healings and miracles! Praise the name of Jesus and all glory to God.

Thank you, Derek Prince Ministries, for sowing into these children's lives.

PRAISE & THANKSGIVING:

- Elizabeth spoke at an annual Anglican women's convention in Hyderabad late last year for 400 women. (The Bishop is a charismatic leader and fan of Derek's books.) Elizabeth shared from the book *Rediscovering God's Church*. Many responded that this was unique teaching and they were now able to understand the church more clearly. She also gave an altar call, and about 90 women accepted Jesus as Savior and Lord! We now have an open door for ministry among the women and with the diocese of Hyderabad.
- Late last year, we took part in a large youth event in Karachi and were delighted to speak and pray for the 40 young volunteers. We also gave each one a copy of *You Matter to God*.

March 20—SOUTH AFRICA

- Many French-speaking people who live in Pretoria are from French-speaking nations in Africa and would like to have an evening each month to view French DVD teachings. Pray for wisdom for the team about possibly starting this.

PRAISE & THANKSGIVING:

- We thank God for those who have received and applied Derek's teaching and are now ministering effectively across Africa.

She has been teaching a new group of student leaders and church members for the past 18 months. They have worked through the *Self-Study Bible Course*, The Foundations teaching, and 12 Steps to a Good Year. Those who complete the course receive a certificate. The pastor has seen the impact in his church members and is encouraging Hope to continue. She teaches in English, Venda and Tsonga and considers it an honor to teach the Venda-speaking people from Derek's material.

March 21—PHILIPPINES

- Pray for God's protection for Director John Cochrane as he travels the country ministering and distributing Derek's books. Many roads are very congested and in bad condition, making driving difficult and dangerous.

PRAISE & THANKSGIVING:

A Roman Catholic theologian, who himself has written a few books, came across Derek's material. He called Damir and said he is very pleased with Derek's teachings and was very blessed through them. So he bought books for his friends as well. We are thankful for the increasing hunger for sound Bible teaching among Croatian believers.

March 23—CHINA

PRAISE & THANKSGIVING:

- Testimony received from Nawaraj of Nawalparasi District:
"We thank you and are grateful to you for providing the whole set of books by Derek Prince for our library. Our leaders and youth are devouring every page of Foundations for Life, Shaping History Through Prayer and Fasting, and others. Our youth are using the Self-Study Bible Course to learn and teach other youth. I had never seen such wonderful spiritual resources. How I wish every Christian could possess these books."
- Numerous Gurung and Magar people, many of whom are serving in the Indian and Nepalese armies, are coming to Christ due to being healed after reading Derek's books. We prayed for two demon-possessed men and gave them *They Shall Expel Demons*, and they have been delivered.

March 26—IRAQ/IRAN

All the titles in the *Life-Changing Spiritual Power* book have been translated into Sorani and now are being printed. Pray for protection and wisdom for Thomas as he travels and distributes this material in the Kurdish-speaking region.

March 27—FRANCE

- A shipment of 500 USB sticks and 3000 micro SD cards (30x13 Project material worth \$8,500 US), produced in China for the work in French-speaking Africa, were defective and useless. It was just discovered the company was non-existent and the lawyer can do nothing more. Pray for provision of funding to make up this loss so this material can still be produced.
- Pray for the distribution of *Life-Changing Spiritual Power* in French through ministry partner Livr'Afrique and that this material will accomplish God's purposes in the lives of the readers.

March 28—CAMBODIA

- Late last year, the DPM team blessed prison officers and their families with Derek's booklets. Pray that they now receive permission to distribute his material to all prisoners.

- Another project is planned for TV that will use short excerpts from these teachings and hopefully bring an increase in viewers. Pray for the Lord's guidance and anointing upon those involved.
- The team also wants to make audio recordings of these teachings in Romanian and put them on Flash memory drives for free distribution. Pray also for the success of this project.

PRAISE & THANKSGIVING:

The DPM team in Romania has taken exciting steps with the 30x13 Project materials.

- Since January 2016, the Christian TV channel in Romania has broadcast Derek's teaching in Romanian twice weekly and offered live ministry to those who respond to the program.

March 30—INDIA

Each year, thousands of Bible college graduates receive a gift pack of Derek's books and SD cards. Pray that these young Christian leaders will be greatly blessed by this material and use it to teach many others.

March 31—HUNGARY

The Hungarian people are disappointed and pessimistic as they work for low salaries in the midst of increasing corruption, feeling betrayed by politicians and national leaders. The book, *Living as Salt and Light*, was recently released. Pray that its message will touch many, especially church leaders, so they will be more effective in being salt and light to the world, bringing encouragement to others.

PRAISE & THANKSGIVING:

- We are very grateful that we were able to publish four books in 2016, despite health and other challenges, and also release *Living as Salt and Light* at the beginning of 2017.
- We thank God for three new translators who worked conscientiously on Derek's books.
- We thank the Lord for His creative ideas and many new contacts.

Pray for God's protection over those traveling, for His guidance and wisdom as they seek Him for His plans and to be able to hear what the Spirit of God would say.

TESTIMONY:

I started listening to Derek's tapes a few years ago and have read some of his books. Each time I listened, he would say things I have never heard in the churches I used to attend. I have been a born-again Christian for 17 years and filled with the Holy Spirit, but I need the kind of teaching that Derek gives. Derek's teachings have made me realize I was not living the new life in Christ. I go to church, but I never hear any preaching that would change my life. However, when I listen to Derek's preaching, I realize there are a lot of things I'm doing that I'm not supposed to do as a Christian. So his teaching has helped me make some changes. My life is not where it used to be, so his books and tapes have helped me tremendously because as I read, I try to practice what he says—books such as: Who Cares for Widows and Orphans?; Does Your Tongue Need Healing?; God's Plan for Your Money; Pride vs Humility, and many other books, proclamation cards and Teaching Letters. All of them helped me with my

spiritual life. Derek's teaching for me personally is on a "supernatural level" and I love it all. There are times when I would rather not go to my part-time job but stay home to read and listen to his podcasts. Whatever he taught, I want to know it all, because I want to have a real "intimate relationship" with God.

April 14—SLOVAKIA

- Katarina, the translator, is now working on the Bible Correspondence Course. Pray for God's blessing, wisdom and protection over her.
- Pray for all the coworkers and volunteers. In recent months, Pentecostal and charismatic groups have experienced increasing pressure and false accusations from secular state media.

April 15—SRI LANKA

DPM-India Directors, Elsie and Danny, along with Sri Lanka representatives, Sam and Olivia, have reached more than 5,000 Christian leaders across Sri Lanka with Derek's Bible teaching over the past three years. Pray that these leaders will build a strong spiritual foundation in their lives and then go out into the harvest fields to bring many more to Christ.

PRAISE & THANKSGIVING:

After a seminar we held during one of our ministry visits to Sri Lanka, a young pastor and his wife began to teach at their church on *Curses and Blessings*. They used Derek's *Life-Changing Spiritual Power* book which we gave them as a guide to help them. As a result, objects that had been in the homes of their congregation—items of witchcraft and sorcery—began to manifest or be revealed, and many received a great deliverance. They did not go to the houses of believers or pray for them. All they did was teach!

April 16—UNITED ARAB EMIRATES

New contacts from UAE have approached DPM. Pray for the Church in this region and for good relationships that will result in lasting fruit in the lives of those who need to be reached.

April 17—SAUDI ARABIA

- A new door has opened to a church in Saudi Arabia. Pray for the Lord's direction in reaching out to this congregation to supply them with Derek's teaching.
- Pray for the Lord's guidance regarding a possible visit to this nation in the near future.

PRAISE & THANKSGIVING: Gulf Region

God led us to a key person who will prepare SD cards with Derek's materials and deliver them to underground churches and cell groups in Dubai and Oman. Pray for him, as he faces a lot of challenges.

April 18—UNITED KINGDOM

Many inmates across Great Britain use Derek Prince's materials. Pray the Lord will change their hearts and destinations in life and eternity!

April 19—CHINA

A believer in China wrote: "*We started to receive Derek Prince books. His teaching is very easy to follow. . . it has unlocked many secrets to us. It has reduced lots of controversial discussions between us. Also, it is a great help for spreading the gospel. We are very thankful to God.*" This is just one voice of many individuals and churches asking for help to understand the Scriptures and how to walk with the Lord. Pray that Derek's Chinese materials would reach the right people.

PRAISE & THANKSGIVING:

- We continue to receive good reports regarding the USB/OTG devices distributed in 2016 that contain 30 hours of Derek's teaching in audio-visual format. Our distributors are asking for more!
- We are so thankful for the China team members who are scattered across China, New Zealand, Taiwan, Singapore, Canada and the UK. It is as though God hand-picked these laborers with the skills needed for specific tasks we must complete to serve the Church and people in China.

April 20—UNITED STATES

- Pray for the DPM publishing team to work with the Lord's wisdom and insight as they continue to produce new books from the vast archive of Derek's teaching.

- Pray for guidance and the Lord's blessing upon the radio, prison and youth outreaches.

April 21—MYANMAR

The new DPM team here is holding six outreaches in conjunction with their partner ministry, One-2-One. Pray for God's protection as they travel to remote parts of the country and that many thousands of lives will be transformed for Christ as Derek's teaching is shared.

PRAISE & THANKSGIVING:

- Derek's books are now being distributed free of charge in remote villages.
- Late last year, a huge outreach was held here with Franklin Graham (son of Billy and Ruth Graham), with about 100,000 people attending. The DPM team had a booth of Derek's books, which were both sold and freely distributed.

April 22—SOLOMON ISLANDS

- Pray that many more people across this island group would tune in to Derek's daily radio programs and be strengthened in their faith and knowledge of God's Word.
- Pray for new opportunities for Tele Bartlett and Hudson to spread Derek's teaching.

PRAISE & THANKSGIVING: Pacific Islands

Late last year, our New Zealand office sent several sets of 30 of Derek's core messages on CD and DVD to a mission organization, "Marine Reach-YWAM," that serves communities in need throughout the Pacific Islands. This teaching is being used in training schools and outreaches in Fiji and Vanuatu. One of their staff members advised us that the teaching will be "invaluable" and has asked for more.

April 23—FRANCE

- Pray for protection, strength and good health for Director René as he is stretched in his many varied responsibilities and for staff member, Catherine, who was very ill recently. She holds a key position, overseeing several important areas of ministry. A spiritual battle has been waging.
- Pray that supporters will remain faithful in their giving. Donations in 2016 were actually a bit higher than the year before, although sales were significantly lower.

April 24—SWITZERLAND

- Pray for Ruedi to make new contacts with those who would desire to help support the ministry and distribute Derek's teaching in any way they can.
- Pray for more visitors to the website that would bring increased interest and inquiries.

April 25—ISRAEL

- Pray for the Lord's continued protection for the team from those who are opposed to Christ.
- Pray for continued freedom to carry on the work in Israel.
- Pray for God's guidance and wisdom in preparing Derek's material for youth groups and children.

April 26—LATIN AMERICA/USA

- Pray for the Lord's clarity and timing in establishing the work of DPM through potential contacts in Peru and Ecuador.
- Pray for continued blessing and growth of the local Hispanic outreach through ministry contact Armando Perdomo and staff member, Norma McDonald. Another luncheon was held at the office in January attended by returning and first-time guests. Everyone leaves with a gift pack of material and the offer to receive it for their church or ministry outreaches.

April 27—CANADA

- Pray for the right contacts and the Lord's favor to be able to get Derek's material into the prison system.
- Pray for further development in using Derek's material in Canada's Aboriginal communities.
- Pray for God's ongoing wisdom and direction for Director Bob Yeo and the Board of Directors.

April 28—SOUTH AFRICA

- Pray for the safe distribution of 100 Mega Voice players to 13 African countries and Madagascar. These teaching tools contain 400 hours of Derek's teaching in 10-15 minute segments.
- Pray for many young leaders to be mentored by Derek through the 400 teachings available on the Mega Voice players.
- Pray that many more leaders will be reached across Africa this year who will be used to impact their nations with Derek's teaching which is so relevant for this generation.

PRAISE & THANKSGIVING:

- I was able to visit Albert and Elaine Chipps in Cape Town who are strong supporters. Albert holds a Bible study group on board a ship with colleagues who are eager to receive Derek's teaching.
- A young lady doctor in Burgersfort reaches out to Arabic, Amharic, Chinese and different African language people in her practice and distributes Derek's teaching. I gave her a 20-year-old copy of *Blessing or Curse: You Can Choose* in Amharic which she gave to a local man. He read it and was so impacted he began to pass it to other Amharic friends and family who also read it. He was in Ethiopia over Christmas and shared the message with other family and friends. This doctor also just placed a large order of material that included 100 DVDs on deliverance that she will be giving to patients and friends!
- Pastor David Mehari from the Eritrean church in Pretoria launched Derek's **Foundational teaching LIVE on Facebook in Tigrinya**, his third "live" session, when 25 people joined in and 100 checked out the teaching afterwards. David believes many more will join as word gets around about the "live" teaching. He has been teaching his congregation from Derek's Foundations material for years, with approximately 50 attending the Bible study each week. David also translated the Foundations book some years ago, but, sadly, the transcript was stolen with his luggage en route to South Africa. He is hoping to get help to translate the book again.

April 29—KENYA

Elections are scheduled for August, but tension is rising already. The DPM team is being told they may need to stop printing, along with any major activities for the last half of the year as the country stabilizes. In *Shaping History through Prayer and Fasting*, Derek wrote about being in Kenya in 1961, preceding elections there in 1963 when God's supernatural intervention brought their independence. He has intervened since then on numerous occasions. Pray for free and fair elections and for the country to remain stable.
