

DPM-PHILIPPINES: SETTING LIVES FREE USING HOW TO PASS FROM CURSE TO BLESSING

Dear Friends

One of Derek's most powerful teachings, which has enabled countless thousands of people to be set free from generational and other types of curses, is *How to Pass from Curse to Blessing*.

DPM-Philippines Director, John Cochrane recently taught 45 pastors on this topic.

The pastor in the front of the photo above is the leader of a church group of 1,000 pastors from all over the Philippines. There was a very good response from the pastors as the prayer was prayed to break the curses off their lives.

Another pastor has been holding weekly teaching meetings (see the photo below) in Lucena (the capital city of Quezon province) on *How to Pass from Curse to Blessing*. Copies of Derek's Tagalog language books were freely distributed, along with our English proclamation cards which proved very popular, and all of the English books were sold.

Attendees at the weekly meetings

With 76% of all church-goers attending Catholic churches, the sharing of Derek's life-changing Bible teaching is essential.

If you would like to help our ongoing and vital DPM outreach in the Philippines, you may do so securely online at: www.dpm.co.nz

Select 'Give' and then 'Philippines Outreach' or by posting your donation to: DPM-Asia/Pacific, PO Box 2029, Christchurch 8140.

Many thanks for your ongoing partnership with us,

Warren Smith
Regional Director, Asia/Pacific

DO YOU OR SOMEONE YOU KNOW SUFFER FROM ANY OF THE FOLLOWING...

1. Mental and/or emotional breakdown
2. Repeated or chronic illness
3. Barrenness, a tendency to miscarry, or related female problems
4. Breakdown of marriage and family alienation
5. Continuing financial insufficiency especially when you have a good income.
6. Being "accident-prone"
7. A history of suicides or unnatural or untimely deaths in a family

DEREK PRINCE SAYS REGARDING THESE SYMPTOMS THAT:

"Through personal observation and experience I have compiled this list of seven problem areas indicating that a curse is at work. The presence of only one or two of these problems would not necessarily be sufficient, by itself, to establish conclusively the working of a curse. But when several of the problems are present, or when any one of them tends to occur repeatedly, the probability of a curse increases proportionately."
