

Open for Business: COVID-Safe Package

EXPERT GUIDANCE TO OPEN WITH CONFIDENCE & MEET COMPLIANCE

Step by step support to develop your COVID-Safe Plan

1. **COVID-Safe Plan word document template** with headings and details required to provide evidence you are operating a COVID-Safe Business
2. **Accompanying template guide document** with relevant information to help you develop and implement your plan. Eg: worker health risk assessment, daily health checks, contact tracing practicalities, distancing and hygiene ideas
3. **Submit your plan for our Specialist H&S team to review** they will discuss your plan with you by telephone providing feedback and recommendations
4. **A group Q&A video conference session** once you have drafted your plan and had it reviewed. This session is to problem solve, help sort out the details and improve confidence before opening
5. **A COVID-Safe worker education video** to assist virus and risk awareness, reduce worker fear/anxiety & improve compliance with your COVID-Safe plan
